DONATION-SCHOOL END OF YEAR AWARDS

PURPOSE

To make an appropriate annual contribution to schools located in the Shire toward their End of Year Awards.

POLICY

- (1) Council donate a cheque for \$50 to all schools for End of Year School Awards.
- (2) Council provide a certificate to accompany the book presentations should a school require it.
- (3) That schools located within the municipality be advised accordingly.

BACKGROUND

Since 1988 this policy has included Midland College of TAFE, all high schools and Council resolved that for the 1988 End of Year School Awards a copy of 'On the Swan' be presented to each school.

For the 1989 End of Year School Award high schools have been presented with a hardback copy of "On the Swan" with the exception of Governor Stirling Senior High School who requested a cash donation towards the purchase of a prize of their own choosing. Primary schools were given a donation of \$50. The amount of \$50 is based on the precedent of March 1988 when Midland College of TAFE was added to the list of recipients of donations for an End of Year Award.

It was considered that whilst Council already had a policy of making a contribution towards End of Year Awards for primary schools, high schools and Midland College of TAFE, it may be advisable to retain some flexibility over the nature of the prize. It is, therefore, suggested that Council review the nature of the contribution, whether it be cash or another form of prize, in September each year.
