

# RECREATIONAL CLUB DEVELOPMENT

“ B U I L D I N G S T R O N G E R C L U B S ”

Greetings, my name is Leigh Cover and I have been recently appointed as the new Recreation Club Development Officer, for both the City of Bayswater and the City of Swan. My position is a new scheme, funded through the Department of Sport and Recreation and supported by my host Cities in Swan and Bayswater. My primary role is to assist club/sporting officials/educators in developing their respective clubs, through improving resources and facilities, to providing training and education opportunities for club officials and members. I am one of several Development Officers who has been employed throughout the metropolitan area.

In the upcoming months I will be informing clubs of seminars and workshops through a monthly newsletter, this will focus on different areas of club development. Initially clubs will receive Club Audit packages, these will be used to determine the areas which clubs need most assistance. This program will be titled “Smart Clubs”, the majority of clubs with in the City of Swan might recall a program titled “Swan Clubs” which was previously run, this is a similar program, however now incorporating clubs with in the City of Bayswater in addition. Club officials will be informed of the exact details of this program in the forth coming months.

*Let's make it happen*

For the immediate future, I will be attempting to contact club officials individually, via telephone, email, or mail, and arrange to meet with them and formally introduce myself. Until then, if you have any questions or require assistance with any matters regarding you clubs welfare or development, please feel free to contact myself anytime.
